

The Hastings Cancer Trust is now calling for applications for the 2025 round of grants.

Healthcare providers or community organisations in the Hastings, Camden Haven, and Macleay districts are eligible to apply for a grant from the Hastings Cancer Trust. This grant **must** aim to support cancer patients, survivors, and their caregivers within the local community.

The directors will pay particular attention to how the funds applied for in the grant application will benefit the maximum number of cancer patients and those recovering from cancer.

If resources are not available to approve the full funding of the project outlined in the application, detailed costings would provide scope for the directors to consider partial funding. Applications with matching funding sources would be looked upon favourably.

Grant applications can be submitted online by visiting www.hastingscancertrust.org.au.

Navigate to the **GRANTS & PROJECTS** tab and select **COMPLETE ONLINE**.

Alternatively, the application form can be downloaded from the GRANTS & PROJECTS tab on the website, completed, and emailed to hastingscancertrust@gmail.com.

Or you can print, complete, and mail the application form to Hastings Cancer Trust, PO Box 9272, Port Macquarie 2444.

The application period opens on the 1st Monday in August and closes at 5.00pm on 1st Friday in October 2025.

Applicants will be advised of their application results mid to late October.

Those who are successful will be invited to a certificate presentation ceremony in November 2025. (Date and venue TBA).
