

2018 FUNDING APPLICATIONS

The Hastings Cancer Trust has seen the generosity of the community translated into much needed funding for a range of projects which have supported cancer patients and clinicians within our local area.

The Hastings Cancer Trust receives **NO** government funding and relies on community fundraising and donations. The Trust is a registered tax-deductible, not-for-profit charity.

The money raised through fundraising efforts and generous donations is administered by trustees. The trustees are a group of local volunteers, working towards providing grants to fund local cancer projects. The grants are awarded based on the value of the project to the community.

The Trust will be calling for applications later in the year for its 2018 round of grants from anyone involved in the management of cancer, or indeed, community organisations that support cancer patients, cancer survivors and their carers in the Hastings/Macleay areas.

Applications should include a detailed explanation of the funding project. The trustees will pay particular attention to how the project will benefit the maximum number of people with cancer, and those recovering from cancer.

Where the resources are not available to allow full funding, detailed costing would provide scope for the trustees to provide part-funding for a project. Applications where other matching funding sources are outlined would be looked upon favourably.

Projects might include the development of facilities, support of local research efforts, funding for the education and training of clinicians, purchase of aids and equipment, and even provision for the specific needs of community groups.

Applications should be submitted to **The Hastings Cancer Trust**

- by email to hastingscancertrust@gmail.com or
- by mail to **PO Box 9272 Port Macquarie NSW 2444.**

Please note submissions will **close on Friday 5th October,2018.**

All applicants will be notified of the result of their application by mail or email in October, and the successful applicants will be invited to attend a formal presentation in November (Date TBA)
